

Planning for the Future: Children and Youth with Special Health Care Needs (CYSHCN)

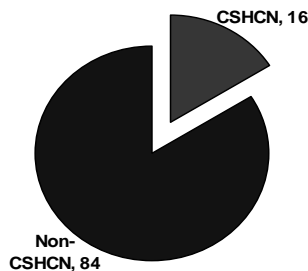

Presented by
Garry Kelley, Ms
MCH Epidemiologist

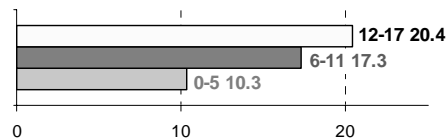

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

CYSHCN Demographics

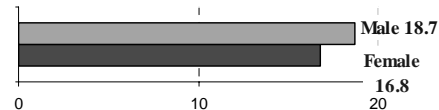

**Percent of Kansas
Children with Disability**

Age Group

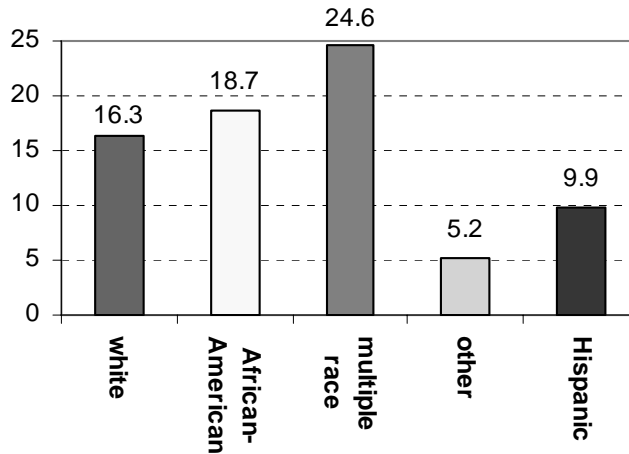

Gender

HRSA. 2005/06 National Survey of Children with Special Health Care Needs. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

CYSHCN Race/Ethnicity

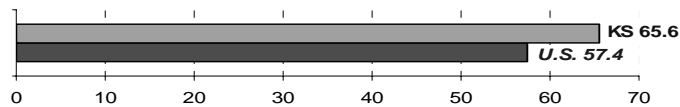

HRSA. 2005/06 National Survey of Children with Special Health Care Needs. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

National Outcome Measures 1

- Percent of CYSHCN whose families are partners in the decision making at all levels and who are satisfied with the services they receive

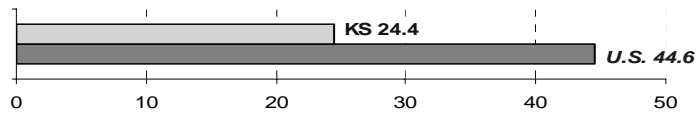

HRSA. 2005/06 National Survey of Children with Special Health Care Needs. Data Resource Center.

HRSA. 2007 National Survey of Child Health. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

National Outcome Measures 1b

Percent of CYSHCN (0-5 years) who visit a doctor and was not asked about parental concerns.

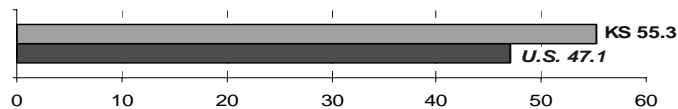

HRSA. 2005/06 National Survey of Children with Special Health Care Needs. Data Resource Center.

HRSA. 2007 National Survey of Child Health. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

National Outcome Measures 2

- Percent of CYSHCN who receive coordinated, ongoing, comprehensive care within a medical home

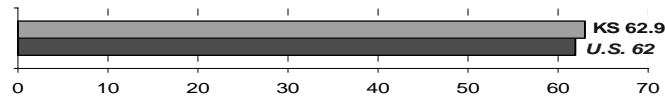

HRSA. 2005/06 National Survey of Children with Special Health Care Needs. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

National Outcome Measures 3

- Percent of CYSHCN who adequate private and/or public insurance to pay for the services they need

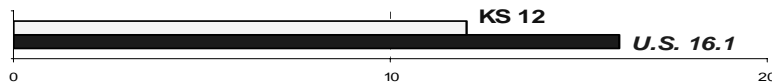

HRSA. 2005/06 National Survey of Children with Special Health Care Needs. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

National Outcome Measures 3b

- *Percent of CYSHCN who have at least one unmet need*

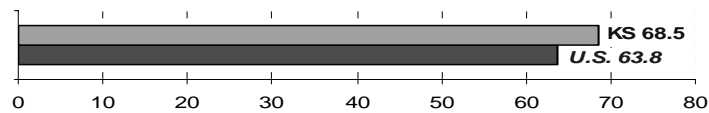

HRSA. 2005/06 National Survey of Children with Special Health Care Needs. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

National Outcome Measures 4

- Percent of CYSHCN who are screened early and continuously for special health services

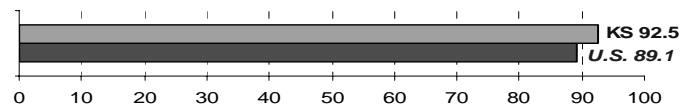

HRSA. 2005/06 National Survey of Children with Special Health Care Needs. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

National Outcome Measures 5

- Percent of CYSHCN whose families report the community-based service systems are organized so they can use them easily

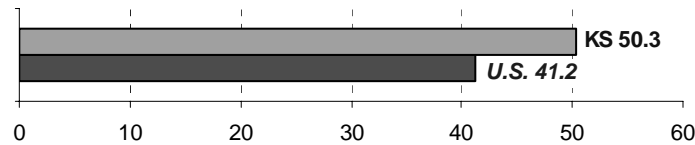

HRSA. 2005/06 National Survey of Children with Special Health Care Needs. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

National Outcome Measures 6

- Percent of youth with special health care needs who receive the services necessary to make appropriate transitions to adult health care, work, and independence

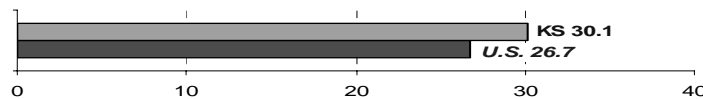

HRSA. 2005/06 National Survey of Children with Special Health Care Needs. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

Transitions

- Percent of disabled (18-34) who attended college

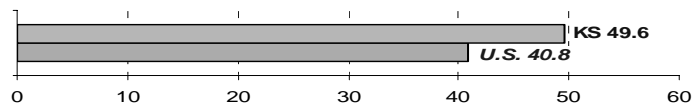

U.S. Census. American Community Survey 2006-2007.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

Transitions 2

- Percent of disabled (16-34) who are employed

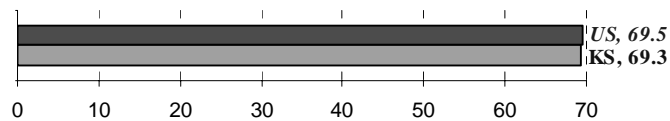

U.S. Census. American Community Survey 2006-2007.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

Overall Health

- Percent of youth with special health care needs whose overall health is excellent or very good

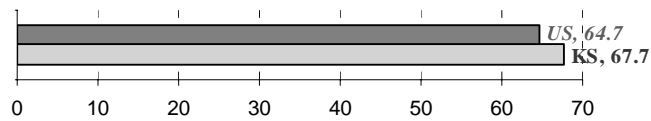

HRSA. 2007 National Survey of Child Health. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

Oral Health

- *Percent of youth with special health care needs whose overall oral health is excellent or very good*

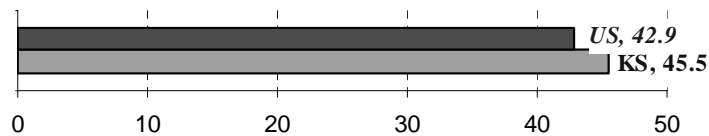

HRSA. 2007 National Survey of Child Health. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

Condition Impact Health

- *Percent of youth with special health care needs whose health conditions are moderate or severe*

HRSA. 2007 National Survey of Child Health. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

Condition Impact Health 2

- *Percent of youth with special health care needs whose conditions consistently or greatly affect their daily activities*

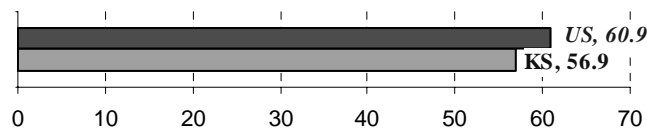

HRSA. 2007 National Survey of Child Health. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

Physical Fitness

- *Percent of youth with special health who engage in rigorous physical activity at least 3 times a week*

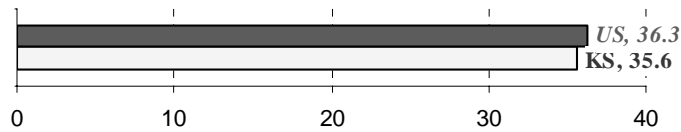

HRSA. 2007 National Survey of Child Health. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

Physical Fitness 2

- *Percent of youth with special health who are overweight or obese*

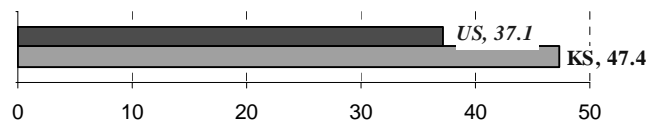

HRSA. 2007 National Survey of Child Health. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

Child Care 1

- *Percent of children with special health needs aged 0-5 years whose parents made different child care arrangements in past month or made employment-related changes due to child care reasons in the past year.*

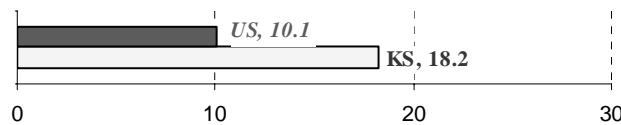

HRSA. 2007 National Survey of Child Health. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

Child Care 2

- Percent of children with special health needs aged 6-11 years who spent some amount of time alone without adult supervision in the past week

HRSA. 2007 National Survey of Child Health. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

Employment

- Percent of children with special health needs whose families experienced financial problems due to child's health needs.

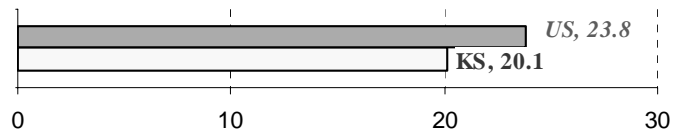

HRSA. 2007 National Survey of Child Health. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

Employment 2

Percent of children with special health needs whose health needs caused family members to cut back or stop working

HRSA. 2007 National Survey of Child Health. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

Parents

- Percent of children with special health needs whose parents are often angry, annoyed, or frustrated towards their child

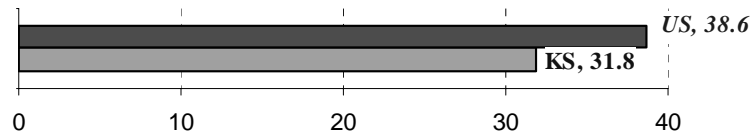

HRSA. 2007 National Survey of Child Health. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

School

- Percent of children with special health needs who are always engaged at school

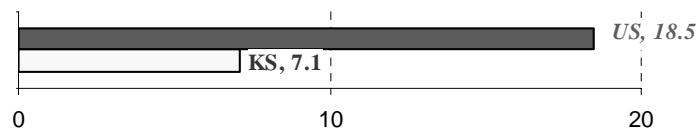

HRSA. 2007 National Survey of Child Health. Data Resource Center.

Our Vision – Healthy Kansans Living in Safe and Sustainable Environments

School 2

- Percent of children with special health needs who repeated at least 1 grade since Kindergarten

HRSA. 2007 National Survey of Child Health. Data Resource Center.
